OUR STRENGTH

At Gran Dinastía, we live and breathe the complete process of producing tequila. Located in the Highlands of Jalisco, our land is rich in minerals which allows us to control growth and quality of the agave. For over 80 years, we have taken care of its distillation, making the art of producing tequila our legacy for future generations.

LA CAVA DE DON AGUSTÍN

est. 1938

The perfect balance and the ideal softness.

AGED IN SELECT NEW BARRELS OF AMERICAN WHITE OAK WITH A MEDIUM TOAST, RESULTING IN AN IDEAL BALANCE AND SMOOTHNESS THAT OFFERS AN EXCELLENT RESERVE.

Our tequila masters have developed this refined distillate following the fine art of production using only traditional wood, brick and clay ovens to ensure the slow cooking process of the agaves that provide the extract that is fermented and distilled under traditional methods.
